ASP POLICIES AND PROCEDURES

How to Register

Program details are emailed to parents prior to the start of each trimester. Parents may register their child via the online registration form.

Payment and Enrollment Policies

A student is considered registered once an online registration form is completed. Fees for the ASP will be billed via each family's TADS account. All classes are filled on a first-come, first-served basis. Classes are offered contingent on enrollment. A \$25 late registration fee will be charged after the trial week. Families whose accounts are in arrears may *not* use the services of the After School Program or register for a new trimester until the Business Office clears their account.

Trial Week

The ASP offers a trial week for all students interested in the ASP program. This is a great way for students to try a class. Trial week is the first week of the trimester. If a child remains in the program after the trial week, the parent will be responsible for the class fee and no refunds will be given. If a child decides not to continue after the trial week, the parent must inform the Director of After School in writing. The parent will only be charged for the trial week class(es).

ASP Hours

The After School Program runs each full school day from 2:35 - 6:00 p.m.

Sign-in and Sign-out Procedures

Registered Students Sign-in

Students who are registered for a class will be signed in on their class day in the following way:

JK - Grade 4: Each Lower School teacher is given a roster indicating the after school activity for each student in their class. Students who have an after school class will be signed into the ASP by their teacher or ASP staff. If a child is absent or will miss the class, the teacher will inform the ASP staff. Parents are encouraged to daily review class schedules with their child(ren).

Grade 5 - 8: Each Upper School teacher is given a roster indicating the after school activity for each student in their class. Students may be in study hall until 4:35 p.m. or the start of their class. Students are responsible for getting to their class or lesson on time.

Sign-out

Because we care deeply about the safety of each child, we ask for your cooperation in complying with the sign-out policy.

- Children may only be signed out by a parent or another adult on the child's approved pick-up list. If there are any changes to the list (i.e. caregivers), please inform the school office as soon as possible.
- Before a child leaves the premises, he/she needs to be signed out on the sign-out sheet. The adult should sign and indicate the time of sign-out. Upper School students may sign themselves out.

Drop In

Children may join the ASP on an hourly basis. Drop ins will apply to students who are picked up late from regular dismissal or after their ASP class. It is important that we know about drop ins in advance whenever possible. Please send an email to the office (office@stlukeschool.org), your child's homeroom teacher, and/or the After School Program staff (afterschool@stlukeschool.org). Drop-in charges will be billed monthly to each family's TADS account.

Lower School students who are picked up late and Upper School students who remain after school unsupervised will be sent to the ASP. A fee of \$15 per hour will be charged, up to a maximum of \$45 per child.

- **For students registered for a class**, general child care is provided from dismissal to 5:05 p.m. or the end of class (whichever is later). Drop in rates apply afterwards.
- **For students registered for a music lesson**, general child care is provided from dismissal until the start of the lesson. Drop in rates apply afterwards.

Students may drop in to the ASP at no cost for the reasons below. Please alert your child's homeroom teacher and the After School Director in advance:

- Siblings waiting for dismissal of an older child. Drop-in fees will apply after the older siblings' dismissal time.
- Children whose parents are volunteering for the school.
- Children whose parents are in a parent conference or meeting with an administrator.

ASP POLICIES AND PROCEDURES (CONTINUED)

Rates

Drop-in Rate: A fee of \$15.00 per hour per student will be charged, up to a maximum of \$45.00.

ASP Study Hall, Mondays through Thursdays, 3:20 - 4:35 p.m.

Supervised independent work time (Study Hall) is offered so that students may work independently on homework. Group work is not permitted during this time. ASP (Lower School students in Grades 3 and 4 only) and Upper School students are welcome to work independently. Please note: Not all children are ready to use supervised study effectively. Please discuss your family's needs and your child's homework routine with the After School staff so that we can assist you in developing a clear, predictable, and effective homework routine for your child.

FEES FOR STUDY HALL USE: Students in Grades 5 - 8 are allowed to use the ASP Study Hall **at no charge** until 4:35 p.m. Grade 5 - 8 students will be asked to leave the school campus or sign into ASP if they are being disruptive or if it's past 4:35 p.m. **If a student signs into ASP, drop-in charges will apply.** Lower School students who are not in the ASP and want to use the ASP Study Hall time will need to sign in to the ASP and drop-in charges will apply. Lower School students who are with a parent or caregiver while using Study Hall will not be charged a fee.

ASP Playground

When weather permits, the ASP staff will open the playground for a period of time. After 3:25 p.m., the playground is open ONLY when there is an ASP staff present. Only students who are in the ASP or are with a parent or caregiver may be on the playground. **If a student is on the playground without a parent or caregiver, they will be signed into ASP and drop-in charges will apply.**

ASP Dining Room

When the playground is closed, ASP students are allowed to do homework, play games, or read in the dining room. From 2:30 - 3:35 p.m. the dining room is ONLY open to students who are in the ASP. Siblings and caregivers who are waiting for a student to be dismissed from their ASP class may wait in the dining room after 3:35 p.m. **All other students, including the Upper School or those with caregivers, must sign into ASP and drop-in charges will apply.**

- When possible, parents will be notified in advance when there will be a substitute.

Enrollment Refunds and Lesson Cancellation Policy

MUSIC Program (Continued)

Music Groups

Music Groups provide students an opportunity to play together with other students. This helps students see how a group of similar and/or different instruments can come together to create music. Groups are formed with both student interest and teacher recommendations in mind.

Please note that music groups cannot be chosen as part of full year class choices and financial aid is not available. Make-up lessons are not given for missed group classes.

The following Music Groups are available:

<p>MONDAY</p>	<p>Upper School Jam with Mr. Asher Kurtz 4:35 p.m. - 5:35 p.m. Class Fee: \$440 10 sessions</p>	<p>In this group, students will learn the essentials of playing together with their peers. Working out of a standard repertoire of rock, pop, and jazz songs, each instrumentalist will learn how to best play his/her part within the band, while also being encouraged to explore individual creative expression and improvisation. It will require a deeper understanding of theory (melody, harmony, and rhythm) and music reading, as well as regular home practice. Additionally, there will be a number of performance opportunities for the group throughout the year. <i>Open to all students in Grades 5 - 8 with at least 1 full year of private music lessons.</i></p>
<p>WEDNESDAY</p>	<p>String Ensemble with Ms. Andie Springer 4:35 p.m. - 5:35 p.m. Class Fee: \$405 9 sessions</p>	<p>What's more fun than playing by yourself? Playing with your friends! Join the SLS string community for a weekly group class. In this class we will work on ensemble music of various genres, from classical to pop to fiddle. Group playing offers musicians an opportunity to work on their listening and sight reading skills while having fun with friends. The group class will also feature several masterclass events as an opportunity for students to practice playing in front of others and offering each other constructive feedback. <i>Open to students who have passed "Lightly Row" in the Suzuki Violin Method, or with approval by Ms. Springer.</i></p>
<p>THURSDAY</p>	<p>Rock Band with Mr. Bryan Bisordi 4:35 p.m. - 5:35 p.m. Class Fee: \$440 10 sessions</p>	<p>Put your chops to use! Students will have the opportunity to use their instrumental skills in context with peers and instructors alike. This class will function as a working band, learning classic songs and writing new ones of our own. Instrumentalists and vocalists will broaden their understanding of melody, chords, song structure, and generally have a good time jamming with friends and learning about music. <i>Prerequisite: 1 year of private lessons</i></p>
