 ISEE Summer Work Log--June 2020

Dear soon-to-be 8th Graders,

We expect that you will complete at least 10 hours of ISEE prep on the English-related portions of the test this summer. If you need them, packets have been provided. Some of you may already have an ISEE prep book or work with a tutor outside/instead of this preparation. That is fine, and that counts toward the 10 hours of prep time. Please log all your preparation on this sheet and ask a parent to sign it. **Bring this sheet on the second day of school with your summer reading log and poster.**

I. Tips:

- Read and highlight** each packet or your own prep book, so you understand the scope and sequence of the test. **Write down** questions you want to ask in the fall.
- Make **vocabulary flash cards** or a Quizlet and practice them **at least three times per week.**
- Complete the **practice exercises** in each packet or your own prep book.
- Do **at least two timed ISEE essays** using a prompt of your choice in the packets or another prep book.
- Spend at least **10** hours this summer preparing for the ISEE (either with the packets or your own prep book).

II. Log (continue on back of this sheet if needed):

TASK/WHAT YOU DID	DATE	TIME
e.g. Made vocabulary flashcards	6/17/20	1 hour

III. Parent Signature:

My soon-to-be 8th grade student completed this work: _____
